

BIOGRAPHY

Established in the summer of 2023, My 80's Band is Chicagoland's 80s MTV era new wave and alternative pop/rock band, covering songs from such classic 80s new wave hitmakers as The Cure, The Cars, Tears For Fears, Flock of Seagulls, Simple Minds, Billy Idol and more.

The band members' decades of experience, solid chops and willingness to embrace technology enables them to perform songs in interesting ways which combines the classic sounds and visuals of the genre along with new twists and turns. My 80's Band provides audiences with a musical and visual experience that goes beyond "80s cover band" nostalgia.
